SUBJECT: IN THE MATTER OF THE TARIFF FILING BY US LEC OF
PENNSYLVANIA d/b/a US LEC BUSINESS SERVICES TO MAKE
RATE AND TEXTUAL CHANGES
(FILED JULY 9, 2014) - PSC DOCKET NO. 14-0232T

US LEC PAECTEC of Pennsylvania d/b/a US LEC Business Services ("US LEC") has filed a revision to its P.S.C Delaware Tariff No. 2 to comply with the Federal Communications Commission's ("FCC") Report and Order and Further Notice of Proposed Rulemaking in Docket Nos. WC Docket No. 10-90, et al, FCC 11-161 and Section 51.911 of the FCC Rules, 47 C.F.R. §51.191 of November 18, 2011. With this filing, US LEC complies with the FCC's Second Order on Reconsideration in Docket Nos. WC Docket No. 10-90, et al., FCC 12-47 by establishing that interstate VoIP-PSTN traffic is subject to the Company's interstate switched access rates through adoption of the corresponding interstate access rates contained in its F.C.C. Tariff No. 1 by reference.

US LEC filing complies with the rules in Order No. 5833 of PSC Regulation Dockets Nos. 10 and 45 (26 Del. Admin C. §4001). According to 26 Del. Admin C. §4001-5.2, no Carrier shall revise an existing tariff or price list except three (3) days after filing with the Commission the proposed tariff or price list. Because Granite filed these tariff revisions with the Commission based on rate and textual changes, such revisions may become effective three days after the filing date.

Therefore, based on Staff's review, no further action will be taken on this matter unless a formal objection or inquiry is made by any party. US LEC requests that this tariff revision will become effective on July 12, 2014.
